With these questions in mind, we will become a closer understanding of our connected histories and how Planet Repairs can pave the way to collaborative and transformative futures.

With **Aicha Sowe** (PARISC Secretariat, United Kingdom), **Kobina Amokwandoh** (INOSAAR Glocal Academy Posuban in Oxford (INOSAAR-GAP@Oxford), **uPiaba kaMadokwe** (Co-Principal Coordinator, Planet Repairs Internationalist Observatory (PRIO), Azania/South Africa), **Brother Bayala** (2Kemet, Burkina Faso), **Dr. Gail Bradbrook** (XR-BCAN, United Kingdom), and more....
